Position Advertised:

An experienced, happy, entrepreneurial, positive, Executive Chef is required, specializing in rustic Italian cuisine, for a new Italian restaurant opening in Guelph's busiest and fastest growing, south end. The restaurant is being opened by three young, enthusiastic individuals with years of experience in the hospitality industry. We are not only looking for a great Executive Chef but also a real business partner that wants to grow with our business! This means an actual partnership in the restaurant and future restaurants.

Responsibilities

- Ordering of all menu items and keeping food orders within budget
- Recruit and train a team to work with you and maintain a positive relationship with that team
- Collaborate on the development of menu ideas for the restaurant
- Assist in the promotion of the Restaurant wherever needed
- Prepare and oversee outstanding food for our clients

Qualifications

- Proven experience as a Chef in rustic Italian cooking
- Education as a Chef is great asset but not completely necessary
- Knowledge of food service guidelines, health guidelines and kitchen standards
- Polished, clean look

- Customer focused and adept at building relationships
- Strong written and verbal communication skills
- Naturally creative, enthusiastic and fun.
- Being there for our clients and staff
- Finding simple ways to serve or delight people in a meaningful, memorable way
- Taking responsibility for how you respond to what work throws at you
- Self starter that can work with minimal supervision
- Ability to multi task and meet deadlines
- Flexibility to work evenings and weekends are required

Start Date: We would like to see your Application by: **August 1st, 2010.**
