

"Cafe Paradiso, Cork, Ireland has a position available - starting immediately / early February - for a chef to join the small team of five. The position involves mostly main course (entree) work, is full-time and can be either long term or for an agreed period of 6, 9 or 12 months. The chef should have at least two years' experience in a high quality, busy kitchen.

The position may also appeal to a more experienced chef interested in learning more about Cafe Paradiso's unique cuisine. I am hoping to open a restaurant in the Toronto area in the near future and the position in Cafe Paradiso may be a useful way to train senior kitchen staff for this new operation.

Applications to denis.cotter@gmail.com.

There will also be other positions arising through 2012. Anyone interested in working for a period of 6-12 months in Cafe Paradiso should apply to denis.cotter@gmail.com with a cv and stating when they would be available."
